

Show Up Day #1

January 11 2016

TALKING POINTS

1. CDC whistleblower Thompson **MUST** be subpoenaed and heard to ensure truth and transparency for the safety of our children. The CDC cannot be allowed to investigate itself
 - Support Bill Posey & put pressure on Jason Chaffetz to follow-thru with a subpoena of Dr. Thompson
2. The Nation of Islam, NOI, is now completely dedicated to the 'Vaccine Justice or Else' effort after it was presented at the Million Man March in October. They are conducting educational Town Hall meetings across the US leading to an International Vaccine Summit and Rally in April. This is a MUST watch for all of us! <https://youtu.be/Ejs4DjEcrlM>
 - Their aim and efforts are aligned with our 'Show Up' movement as we are all working to ensure the CDC is thoroughly investigated and CDC whistleblower William Thompson is subpoenaed.
3. NO MANDATES or imposition of restrictions for exemptions OPPOSE S1921 - "Vaccinate America's Children through Complete Information & Education Act of 2015" (become familiar with this one).
<https://www.congress.gov/bill/114th-congress/senate-bill/1921>
4. NO FEDERAL FUNDS or federal spending for any vaccine programs. Every Child By Two and their partner organization, 317 Coalition, are lobbying for robust funding in the FY 2016 Labor-HHS-ED appropriations bill for the CDC's Section 317 Immunization program: <http://shotofprevention.com/2015/10/29/take-action-to-demand-federal-funding-of-immunization-programs/>
 - To support this is to endorse and support the CDC in their dishonesty

IF your legislator is **SUPPORTIVE** of our cause, ask them;

How will you proceed with our DEMAND for Thompson subpoena?

What are you committing to today for this effort?

Are you willing to author legislation that will protect Constitutional Rights and/or Parental Rights?

Do I have your word that you will OPPOSE any bill that would encroach on our freedom to choose or remove exemptions?

IF your legislator is **NOT** supportive of our cause, ask;

Is there any other information they would be willing to look at? **IF their answer is NO** or you get a sense that they are 'bought' and therefore unreceptive;

Let them know that you will broadcast in social media that he/she is in *support* of CDC corruption and you will campaign to have them voted out...thank them for their time.

IF the answer is YES we will continue with the SHOW UP 'next steps' outlined later in the group page.
